

Ultimate Knowledge Corporation

30021 Tomas, Suite 300
Rancho Santa Margarita, CA 92688

To Whom It May Concern:

I have had the pleasure of working with Technically Speaking for the better part of seven years. Our involvement with Technically Speaking typically involves custom instructor sourcing for our clientele. Working with Technically Speaking has been seamless and effortless; they always have a solution for the myriad of problems that can arise when searching for an experienced, talented instructor. I would highly recommend Technically Speaking for like services.

A handwritten signature in black ink, appearing to read 'Chad Logue', with a long horizontal flourish extending to the right.
